QUICK, EASY CARRY

TRIPODISC

Tripodisc is a patented smart accessory that allows to attach a small or midsize EXPLORERCASE to a standard 1/4" thread tripod.

The assembly is very easy: just follow the provided instruction, make a hole in the bottom of the case and secure together the two metal discs; the watertight feature remains granted by the discs O-ring.

Developed for any activity where a case needs to be standing at a higher position: laptop computer, drones, audio-video equipment.
